PURPOSE:

In accordance with the Drug Free Schools and Communities Act and its implementing regulations, the University of Richmond is required to communicate the following information regarding unlawful possession, use or distribution of alcohol, tobacco and illegal drugs to its students and employees. The purpose of this policy is to protect the health, safety and welfare of the members of the University community and the public served by the University.

SCOPE:

The Alcohol, Tobacco and Other Drug Policy applies to all students, staff, and faculty as well as third party users of University facilities. This policy applies to conduct that occurs on the campus of the University, on or in off-campus buildings or property of the University and at University sponsored activities, including off-campus education programs and activities and public property adjacent to the University.

This policy also applies to University students studying abroad through a University approved study abroad program.

1002.1 – Policy & Rules

The University of Richmond strives to achieve a healthy living, learning and work environment. The unlawful manufacture, dispensing, possession, use or distribution of alcohol, tobacco or illegal drugs by students or employees on University property is prohibited.

The University does not condone the illegal or otherwise irresponsible use of alcohol, tobacco or other drugs. In accordance with federal and state law, the University prohibits the unlawful possession, sale, use or distribution of alcohol, tobacco and other drugs on University property. The University of Richmond Police Department has the primary responsibility for the enforcement of state and federal laws pertaining to alcohol, tobacco and drugs.

It is the responsibility of students and employees to know relevant University policies, as well as state and federal laws, and to conduct themselves in accordance with these laws and policies. Any student found in violation of this policy is subject to the entire range of sanctions outlined in the Standards of Student Conduct. University employees found in violation of the policy are subject to applicable personnel sanctions. Additionally, a student or employee may be referred to an appropriate evaluation or rehabilitation program.

The University of Richmond supports an environment free from retaliation. Retaliation against any student or employee for bringing forth a good faith concern or participating in an investigation is prohibited.

Any student that renders aid to a student needing emergency medical care or receives emergency medical assistance is covered by the Safe Spiders Protocol provided they adhere to the conditions outlined. A copy of the Safe Spiders Protocol can be found at https://healthpromotion.richmond.edu/pdf/safe-spiders-protocol.pdf.

Intercollegiate Athletics Alcohol & Drug Policy

The University of Richmond Athletic Department has additional written policies that are presented to each student-athlete annually prior to participation. These policies encompass mandatory drug testing, sanctions as a result of positive drug tests, programs of education relative to drug and alcohol use, misuse and counseling.

Drug Free Workplace Policy

The University is a drug-free workplace. The University does not tolerate the unlawful manufacture, dispensing, possession, use, or distribution of illegal drugs and/or alcohol by employees on the University’s property, or as part of its activities. Individual departments, due to the nature of their work, may have more stringent policies concerning prescription drugs.
The University of Richmond does not conduct random drug or alcohol testing, but does reserve the right to test for drugs and/or alcohol for cause. Should the University have a reasonable suspicion that an employee is under the influence of illegal drugs or alcohol or if the employee is in an accident causing damage to University property, the employee may be required to submit to drug/alcohol testing and/or mandatory referral into a substance misuse assistance or rehabilitation program. Refusal by an employee to comply with the applicable requirements may be grounds for immediate dismissal from employment.

Annual Notification

The University will disseminate the Alcohol, Tobacco & Drug Policy to all students and employees on a semiannual basis. A notification email will be sent in January and September after the “add/drop” period for classes.

1002.2 – Alcohol Policy

All members of the University community and third-party users of University facilities are responsible for knowing and acting in accordance with the applicable laws and University policy concerning the purchase, possession, consumption, sale and storage of alcoholic beverages.

Rules for Individuals:

1. The use of alcoholic beverages shall comply with federal, state, and local laws and University policy.

2. Alcoholic beverages shall not be consumed by, possessed by, sold to, or given to persons under 21 years of age, which is the legal age to consume and possess alcohol.

3. State law prohibits, among other conduct, drinking in public spaces that are not covered by an Alcohol Beverage Commission (ABC) license; possession of an alcoholic beverage by a person under the legal drinking age; falsely representing one’s age for the purposes of procuring alcohol; and purchasing alcohol for a person who is under the legal drinking age.

4. All persons consuming or possessing alcohol must carry a valid driver’s licenses or state identification card, military ID card or passport. Students are expected to have their University of Richmond ID and another form of legal age identification documentation in their personal possession. A University official, staff member or designee may request to see age identification from the student if it is suspected that the student is under the legal drinking age or is in the process of or has committed an alcohol policy violation. Students that fail to show the required identification may be charged with a violation of the Standards of Student Conduct.

5. Any individual will be considered in possession of alcohol if the alcohol can be reasonably associated with them. Examples of association include, but are not limited to, the following: any alcohol found within a resident’s room or apartment, any alcohol being carried or transported by an individual, and any open container of alcohol resting near an individual.

Rules for Organizations, Departments and Approved Campus Guests:

1. All events must comply with the University of Richmond’s Alcohol, Tobacco & Drug Policy and Virginia laws and regulations.

2. University residence halls and student apartments shall not be used for organization/departmental events with alcohol.
3. The consumption of alcoholic beverages in a designated campus area is limited to approved functions sponsored by recognized organizations/departments of the University of Richmond or approved third party users of University facilities. These events shall be open only to members of the sponsoring organization/department or approved third-party users of University facilities and their personally invited guests.

4. All University of Richmond organizations/departments sponsoring off-campus functions at which alcoholic beverages are served, are expected to act as representatives of the campus community and to respect the University’s valuation of personal responsibility and accountability. Although the University cannot monitor the environment external to the University campus, student organizations, departments or individuals may be held responsible for their actions off campus.

Approved Locations:
The consumption of alcoholic beverages at registered or approved events is limited to approved locations on campus. All other areas of the campus are considered public areas where the use of alcohol is prohibited.

For a complete list of approved locations, please visit:
https://events.richmond.edu/events/policies/alcohol/approved-location.html

NOTE: All event and location reservations will be reviewed to ensure that the facility, as well as type of food and beverage being served, are appropriate. Outdoor locations must be clearly defined by an existing barrier or by an approved temporary barrier. Rain locations must also be identified at the time of reservation, as this information is required by Virginia ABC. For more information, please visit: https://events.richmond.edu/events/policies/alcohol/index.html.

Public Consumption:
Virginia law prohibits the consumption of alcoholic beverages, whether in primary or secondary containers, in public areas. Virginia Code § 4.1-100 defines a public area as any place, building or conveyance where the public has access or is permitted to have access. Examples include, but are not limited to, hallways/corridors, lounge areas and sidewalks. Alcohol use on campus is restricted to approved locations, as defined above, and residence hall rooms, Gateway Apartments or University Forest Apartments, Law School student housing and other housing identified by the University. The University does not permit transportation of alcoholic beverages in open primary or secondary containers outside of these areas.

Alcoholic Beverage Deliveries
Third-party vendors are prohibited from delivering alcoholic beverages to the University of Richmond campus for personal consumption or for consumption at student events for which an ABC license has not been secured.

Advertising
Any publication, advertisement or announcement of any University-sponsored event distributed or intended to be distributed to persons under 21 years of age must not mention or depict alcoholic beverages. Distribution of any publication, advertisement or announcement that mentions or depicts alcoholic beverages must be limited to persons 21 years of age or older and such publication, advertisement or announcement must state that proof of age will be required to consume alcohol.
Registration Policy and Deadlines

Official University Events and Third-Party Use of University Facilities:
All alcoholic beverages to be consumed at University approved events must be supplied by University Catering or in conjunction with a University approved caterer with an ABC license. Spider Brews and events with beer trucks are the only exceptions. For more information on events with beer trucks, please see the Policy for Hosting Events with Alcohol on Campus.

Any event held in a University facility where alcoholic beverages are present or consumed must be registered and approved at least 10 working days in advance by University Events, Conferences and Support Services. Events that utilize the University of Richmond’s Dining Services ABC license must be coordinated with University Dining Services a minimum of five days prior to the scheduled event. These timelines are provided by Virginia ABC and are subject to change. For more information on scheduling an event on campus with alcohol, please refer to the Policy for Hosting Events with Alcohol on Campus.

Residential Student Events:
Students who wish to host an event with alcohol in their residence hall or apartment should do so in accordance with the event registration process established by Residence Life & Undergraduate Student Housing. Students interested in registering an event in their residence, should review the following: https://residencelife.richmond.edu/residence-life/Community/event-registration.html.

Greek Life:
Greek organizations holding events with alcohol must register events ten days in advance with the Center for Student Involvement. For more information on Greek life event and risk management policies, please visit: https://involved.richmond.edu/greek-life/resources/policies-procedures.html.

Official University Events and Third-Party Use of University Facilities:

ABC Temporary License
Virginia law, and/or the University, may require an event, at which alcohol is served, to be licensed by the Virginia ABC. For events catered by University Dining Services, Dining Services will handle all legally required notification to the Virginia ABC.

For events not catered by University Dining Services, the sponsoring organization/department or approved third party users may be required to obtain a temporary ABC license. It is the responsibility of the sponsoring organization/department or approved third party users to obtain a temporary ABC license. To obtain an ABC license, please visit: https://www.abc.virginia.gov/licenses/get-a-license/banquet.

1002.3 – Tobacco Policy
All members of the University community and third-party users of University facilities are responsible for knowing and acting in accordance with the applicable laws and University policy concerning the purchase, possession, consumption and sale of tobacco and nicotine products.
No individual under the age of 21 shall purchase, possess or consume tobacco products (chewed, absorbed, dissolved or ingested), nicotine vapor products, and/or alternative nicotine products. Any individual under 21 purchasing, possessing or consuming tobacco products, nicotine vapor products or alternative nicotine products will be in violation of Virginia law and University policy and are subject to disciplinary action.

**Rules for Individuals:**

1. The use of tobacco products (chewed, absorbed, dissolved or ingested), nicotine vapor products, and/or alternative nicotine products on campus shall comply with federal and state laws.

2. Tobacco products (chewed, absorbed, dissolved or ingested), nicotine vapor products, and/or alternative nicotine products shall not be consumed by, possessed by, sold to, or given to persons under 21 years of age, which is the legal age to consume and possess tobacco and nicotine products in the Commonwealth of Virginia.

3. All persons on University property consuming or possessing tobacco or nicotine products on campus must carry a valid driver’s licenses or state identification card, military ID card or passport. Students are expected to have their University of Richmond ID and another form of legal age identification documentation in their personal possession. A University official, staff member or designee may request to see age identification from the student if it is suspected that the student is under the legal age or is in the process of or has committed a policy violation. Students that fail to show the required identification may be charged with a violation of the Standards of Student Conduct.

4. Any individual under 21 will be considered in possession of tobacco/nicotine if the tobacco/nicotine can be reasonably associated with them. Examples of association include, but are not limited to, the following: tobacco/nicotine paraphernalia found within a resident’s room or apartment, any tobacco/nicotine being carried or transported by an individual, and any tobacco/nicotine resting near an individual.

**Advertising**

Any publication, advertisement or announcement of any University-sponsored event distributed or intended to be distributed to persons under 21 years of age must not mention or depict tobacco products (chewed, absorbed, dissolved or ingested), nicotine vapor products, and/or alternative nicotine products.

**Tobacco & Nicotine Use on Campus**

**Smoking:**

The University prohibits smoking, including e-cigarettes, inside classrooms and administrative buildings, residential facilities, dining areas, athletic facilities and university owned vehicles. Smoking is prohibited within 25 feet of the outside of any building to prevent smoke and e-cigarette vapors from entering through entrances, windows, ventilation systems, or other means.

**Tobacco and Nicotine Sales:**

Vending machines that sell tobacco products, nicotine vapor products, and/or alternative nicotine products are prohibited on campus.
1002 – Other Drugs Policy

The unauthorized manufacture, distribution and possession of “controlled substances” (illegal drugs), including but not limited to marijuana, cocaine, ecstasy and LSD, are prohibited by both state and federal law and are punishable by severe penalties. The University does not tolerate or condone such conduct. Students and employees who violate state and federal law may be referred to law enforcement authorities for criminal prosecution and, if convicted, may be subject to the penalties described herein.

Rules for Individuals, Organizations, and Campus Guests:

1. No individual shall possess, use, transfer, distribute, manufacture or attempt to manufacture, or traffic illegal drugs on University-owned or leased property, at University-sponsored or supervised functions, or under other circumstances involving a direct and substantial connection to the University. If there is sufficient evidence that a student is distributing, transferring or trafficking illegal drugs (or is in possession of such amounts), interim actions may be taken to protect the health and safety of the University community.

2. Synthetic or counterfeit substances that are analogue for controlled substances are prohibited under this policy.

3. The misuse, transfer or sale of legal substances such as prescription drugs and inhalants is prohibited.

4. Possession of drug paraphernalia is prohibited.

5. Any individual will be considered in possession of drugs if the drugs can be reasonably associated with them. Examples of association include, but are not limited to, the following: drugs and/or drug paraphernalia found within a resident’s room or apartment, and being present when drugs are being distributed or manufactured.

6. Students and employees that violate state or federal drug laws may be referred by University authorities for criminal prosecution and, if convicted, may be subject to criminal prosecution. Whether or not criminal charges are brought, students and employees are subject to disciplinary action. Sanctions can range from substance education to permanent separation.

1002.5 – Sanctions for Alcohol, Tobacco and Other Drugs

Student Sanctions

Students and recognized organizations that violate the Alcohol, Tobacco and Other Drug Policy will be subject to sanctions as outlined in Article VIII of the Standards of Student Conduct, up to and including separation from the University. Sanctions are determined based on the nature and circumstances of the case. In determining the appropriate sanction for a violation of the Alcohol, Tobacco and Drug Policy, the Conduct Officer, may, at minimum, consider the following circumstances:

1. How was the violation committed;

2. Amount and nature of the illegal substance involved;

3. The level of knowledge and intent of the student;
4. Delivery or attempted delivery of the substance;
5. Prior offenses of the student;
6. Pending criminal charges.

**Employee Sanctions – Alcohol, Tobacco & Other Drugs**

The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance by employees on University property, or while conducting business on behalf of the University off campus, is prohibited. Violations of this prohibition by employees may result in the imposition of sanctions under applicable University policies up to and including termination of employment. The severity of the disciplinary action for violations of this policy shall be determined on a case-by-case basis. Additionally, employees may be referred to an appropriate substance misuse assistance or rehabilitation program.

**1002.6 – Federal and Commonwealth of Virginia Penalties**

In addition to University policies for alcohol, tobacco and drugs, members of the campus community are also required to abide by federal and state laws governing consumption, sale or possession of alcohol, tobacco and drugs. University of Richmond Police Department reserves the right to issue a citation for violation of state or federal laws when deemed appropriate.

Federal and Virginia law penalizes the unlawful manufacturing, distribution, use and possession of controlled substances, including prescription drugs. Synthetic designer drugs, such as bath salts, contain mixtures of many different chemicals, including those that resemble cocaine, methamphetamines, and MDMA. Federal law makes the distribution of “analogue” substances marketed for human consumption illegal if those substances are chemically similar to scheduled illegal drugs and have the same pharmacological effects on the user. The penalties vary based on many factors, including the type and amount of drug involved and whether there is intent to distribute. Federal law holds that any person who distributes possesses with intent to distribute, or manufactures a controlled substance within one thousand feet of an educational facility is subject to doubling of the applicable maximum punishments and fines. A similar Virginia law carries sanctions between one and five year’s imprisonment and up to a $100,000 fine for similar violations.

**Virginia Laws Governing Alcohol, Tobacco & Drugs**

Virginia’s Alcoholic Beverage Control Act contains a variety of laws governing the possession, use and consumption of alcoholic beverages. The Virginia’s Alcoholic Beverage Control Act applies to all students and employees of the University.

The unlawful possession, distribution, and use of controlled substances and illegal drugs, as defined by the Virginia Drug Control Act, are prohibited in Virginia. Controlled substances are classified under the under the Act into “schedules”, ranging from Schedule I through Schedule VI, as defined in sections 54.1-3446 through 54.1.3456 of the Code of Virginia.

Federal Laws Governing Alcohol & Drugs

Federal law prohibits the possession, use, or distribution of illegal drugs. There are strict penalties for drug convictions, including mandatory prison terms for many offenses. The following information, although not complete, is an overview of federal penalties for first convictions. All penalties are doubled for any subsequent drug conviction.

A. Financial Aid Penalties for Drug Law Violations

Students convicted of an offense under any federal or state law involving the possession or sale of illegal drugs for conduct that occurred during a period of enrollment for which the student was receiving Federal Title IV, HEA program funds or need-based institutional financial aid funds, will lose eligibility for all Title IV, HEA grant, loan, and work-study assistance and for need-based institutional financial aid.

An illegal drug is a controlled substance as defined by section 102(6) of the controlled Substances Act (21 U.S.C. 801(6)), and does not include alcohol or tobacco. Loss of eligibility is as follows:

B. Denial of Other Federal Benefits 21 U.S.C. 862

A federal drug conviction may result in the loss of federal benefits, including school loans, grants, scholarships, contracts, and licenses. Federal drug trafficking convictions may result in denial of

University of Richmond | 11
federal benefits for up to five years for a first conviction. Federal drug convictions for possession may result in denial of federal benefits for up to one year for a first conviction and up to five years for subsequent convictions.

C. Forfeiture of Personal Property and Real Estate 21 U.S.C. 853

Any person convicted of a federal drug offense punishable by more than one year in prison shall forfeit to the United States any personal or real property related to the violation, including houses, cars, and other personal belongings. A warrant of seizure is issued and property is seized at the time an individual is arrested on charges that may result in forfeiture.

D. Federal Drug Trafficking Penalties 21 U.S.C. 841

Penalties for federal drug trafficking convictions vary according to the quantity of the controlled substance involved in the transaction. The list below is a sample of the range and severity of federal penalties imposed for first convictions. Penalties for subsequent convictions are twice as severe

If death or serious bodily injury results from the use of a controlled substance, which has been illegally distributed, the person convicted on federal charges of distributing the substance faces a mandatory life sentence and fines ranging up to $8 million.

Persons convicted on federal charges of drug trafficking within 1,000 feet of a University (21 U.S.C. 845a) face penalties of prison terms and fines, which are twice as high as the regular penalties for the offense, with a mandatory prison sentence of at least one year.

E. Civil Penalty for Possession of Small Amounts of Certain Controlled Substances 21 U.S.C 844a

Civil penalties for possession of “personal use” amounts of certain controlled substances.

a. First Conviction: Up to 1 year imprisonment and fined up to $10,000.

b. After one prior state or federal drug conviction: At least 15 days in prison and up to two years in prison and fined a minimum of $2,500 but no more than $250,000, or both.

c. After two or more prior drug convictions: At least 90 days in prison and up to three years in prison and fined at least $5,000 but no more than $250,000, or both.

d. Special sentencing provisions for crack cocaine: Mandatory five years and up to 20 years in prison and fined up to $250,000, or both if:

i. First conviction and amount of crack cocaine possessed exceeds five grams.

ii. Second conviction and the amount of crack cocaine possessed exceeds three grams.

iii. Third or subsequent conviction and the amount of crack cocaine possessed exceeds one gram.

F. Federal Drug Possession Penalties

Persons convicted on federal charges of possessing any controlled substance face penalties of up to one year in prison and a mandatory fine of no less than $1,000 up to a maximum of $100,000. Second convictions are punishable by not less than 15 days but not more than two years in prison and a minimum fine of $2,500.

Subsequent convictions are punishable by not less than 90 days but not more than three years in prison and a minimum fine of $5,000. The penalties vary based on the type of drug involved, possession and intent to distribute.
Further information regarding Federal penalties can be found at: 

1002.7 – Prevention and Education

The University of Richmond uses multiple strategies to provide comprehensive education regarding alcohol, tobacco and other drugs.

**WELL 085 Graduation Requirement**

The University of Richmond requires all full-time, degree seeking students to complete a comprehensive alcohol education and prevention program during their first semester on campus. Successful completion of the requirement is mandatory for graduation from the University. In order to fulfill the requirement, students complete Alcohol Edu and The WELL 085 Alcohol Education and Prevention Workshop.

Students receiving a sanction for a violation of the Alcohol, Tobacco & Drug Policy may be required to attend one of the following alcohol education programs: Alcohol Edu for Sanctions, Marijuana 101, BASICS, RISK or an Individual Alcohol or Drug Assessment with a Substance Abuse Coordinator.

Additionally, the Health Promotion Department coordinates educational programming related to substance misuse prevention for the University community. Requests for programming are made by a variety of audiences including, but not limited to residence halls, student groups, Greek life and athletics. To request a program or for more information, contact the Health Promotion Department at 804- 287-6368 or at hsadoswsk@richmond.edu.  More information regarding alcohol and other drug prevention and education can be found at https://healthpromotion.richmond.edu/alcohol-drugs/index.html.

**Recovery Support**

The University of Richmond’s Collegiate Recovery Program, The Recovery Web, provides a safe, nurturing, and affirming environment where students in recovery from substance use can receive the assistance and support they need to achieve academic success and personal goals while in college. The Recovery Web facilitates a supportive, stigma-free community of students in recovery through individual, academic, social, and recovery supports. For more information on the Recovery Web please contact recoveryweb@richmond.edu.

1002.8 – Health Risks

The negative physical and mental effects of the use of alcohol, tobacco and other drugs are well documented. Use of these drugs may cause blackouts, poisoning and overdose, physical and psychological dependence; damage to vital organs; inability to learn and remember information and psychological problems. For more information about the health risks associated with the misuse of alcohol, tobacco and illicit drugs, please visit https://www.drugabuse.gov/drugs-abuse/commonly-abused-drugs-charts.
